EXPERIENCE

E-Commerce Product Specialist
Gregory Major| United States | 05/2023 – 11/2024

Managed Multi-Channel Listings:
Created, optimized, and maintained product listings on platforms including Amazon, eBay, Shopify, Walmart, Fruugo, and Tractor Supply, ensuring compliance with platform-specific requirements.

Streamlined Product Data Processes:
Utilized tools like Excel, Google Docs, and Dropbox to prepare, organize, and share product details efficiently across teams and stakeholders.

Verified Product Information Accuracy:
Leveraged UPCitemDB and UPC Checker to validate product codes, minimizing listing errors and ensuring compliance with marketplace standards.

Enhanced Visual Presentation:
Edited and optimized product images using Clipping Magic, ensuring they met platform guidelines for quality and consistency.

Advanced Content Formatting:
Used HTML5Editor to create and edit product descriptions with enhanced readability and SEO optimization, increasing customer engagement.

Centralized Inventory and Order Management:
Monitored and updated inventory across channels using Rithum (ChannelAdvisor Platform), maintaining accurate stock levels and processing customer orders seamlessly.
